Closed-toe shoe policy

We require that children wear closed-toe shoes while at Bright Star Learning Center, LLC for indoor and outdoor play. Sandals, "jellies," "crocs," and flip-flops hinder a child's ability to participate and often create safety hazards. You may provide a pair of water shoes that follow these shoe guidelines for water play.

Apply Sunscreen on your child every morning, so your child is protected during outside play in the morning. We will reapply sunscreen every afternoon.
