If your child will not be attending or arriving after 10 a.m. on a regularly scheduled day, please call or text your child's classroom to let us know.

Every morning our classrooms talk about who is absent from class and sing a special song for them. So, if your child is absent, remind them their friends are wishing them well at school.

We put our hands on our hearts and sing:
We wish you well, We wish you well
All through the day today, We wish you well
(Tune: Farmer in the Dell)
