Spring Cleaning?

Do you have unwanted children's items?

Our classrooms can always use new items to keep them interesting. Feel free to donate any items your children have outgrown or don't use. We are creative!

We can find a use for anything, but some things we will definitely use are.....

- Art supplies, Toys, Books, Book shelves, Small tables, Lamps, Buttons, Crates, Storage containers, Large plastic coffee containers or coffee-mate containers
- Dress up items: hats, purses, wallets, gloves, dresses, shirts, skirts, shoes
- Science: cooking utensils, measuring cups, dry pasta/rice/beans
