Keep your child safe!

- Please walk your child into their classroom each day. Make sure that their teacher is aware that they are present and has an opportunity to talk with you, if necessary.
- If your child is not in their classroom, please keep them with you at all times. Adult supervision is required for all children at all times at Bright Star Learning Center, LLC.
- If your child is entering a classroom that is not theirs, an adult must remain with them. Please help them be considerate of the rules of that classroom and help them to not interrupt the current activity of that classroom.
